

Putt Brothers

MINI GOLF CATALOGUE

THE PRO SERIES

We analyzed the most popular and competitive mini golf layouts and distilled them into their purest form. By focusing on proven, high-playability designs, we've created a collection that is not only a favorite among players but is also engineered for streamlined production.

The result is The Pro Series: a premium, skill-based experience at a price point that delivers an unbeatable return on investment.

THE PROCESS

Let our design team work with you on the space you have available and how we can make best use of the space. The team will then generate a 3D floor plan so you can get a good idea of the look and feel of your Mini Golf course or Laser Tag arena. If needed we can also design bespoke serving kiosks.

FABRICATE

Once the design is agreed upon, our fabricators will go to work building your course or arena. You will be regularly updated on the progress of your project.

INSTALL

We handle everything from start to finish. To ensure a seamless experience and the highest quality result, our own expert installers will manage the complete installation for you.

ONGOING SUPPORT

Upon completion of your project there will be ongoing operational support and education to ensure that your attraction reaches its full potential.

WHAT WE DO

At Putt Brothers, we specialize in the design, manufacturing and construction of comprehensive entertainment solutions for Family Entertainment Centers and commercial fitouts. With over 35 years of experience in manufacturing, we continuously innovate and create new products every year to meet the evolving needs of the entertainment industry.

Our extensive range includes bars, banquette seating, FF&E (Furniture, Fixtures & Equipment), party rooms, themed crazy holes mini golf, links course mini golf, our revolutionary Table Golf Series, laser tag maze arenas, redemption counters and displays, and much more. From initial concept to final installation, we guide our clients through the entire process, providing a complete turnkey solution.

We are based in Auckland, New Zealand, and have factories both in Auckland and Brazil, allowing us to serve clients on a global scale with efficient manufacturing and logistics capabilities.

OUR VALUES

Collaboration: We believe in the power of teamwork, both within our company and with our clients, fostering an environment of open communication and mutual respect.

Integrity: We conduct our business with honesty and transparency, building trust with our clients and partners.

In an industry that is constantly evolving with new innovations, we understand the challenges faced by business owners who want to provide high-quality entertainment while keeping costs under control. Our mission is to deliver cost-effective attractions that offer a strong return on investment for our clients.

Whether you are looking to create a mini golf course, laser tag arena, complete FEC fitout, or custom commercial spaces, we combine creativity, expertise, and attention to detail to deliver exceptional results.

Our comprehensive services include concept development, design and layout, material selection, manufacturing, construction, installation, and ongoing maintenance.

Our team consists of experienced designers, engineers, manufacturers, and consultants who work collaboratively to bring your vision to life. We prioritize safety, quality, and customer satisfaction throughout every project we undertake.

At Putt Brothers, we believe in building better together. We are committed to providing our clients with innovative, cost-effective, and high-quality entertainment attractions and commercial solutions that will captivate their customers and drive business success.

Customer Satisfaction: Our clients' success is our success. We are committed to understanding their needs and providing personalized, reliable service throughout every project.

Collaboration: We believe in the power of teamwork, both within our company and with our clients, fostering an environment of open communication and mutual respect.

Integrity: We conduct our business with honesty and transparency, building trust with our clients and partners.

SKATE THE BOWL

Traditionally kickflips, shove it's and big air is seen at the ramp, but that has been replaced with accuracy, finesse and poise as you aim for the elusive hole in one, remember the weight of the shot must be perfect! No pressure.....Dude
